From Editor's Emporium

We've had some fantastic weather over the last couple of weeks. Personally, I hope it continues although I'm sure that a little rain would be welcomed by the farming community.

For those of you who remember the magazine when I talked about my first grandson being born you might like to know he's 5 years old now, and at school. Time certainly flies. My third grandson is two this week too, oh, there are times when I wonder where the time goes.

I'm still waiting for a volunteer to take over the magazine – you've not been flooding in with offers. I do request that you get in touch if you would like to help as I can only continue another few months. Also, there is a vacancy on the Parish Council, please see page 15 for details.

Fairport's Cropredy 38th Festival, 2018
August 9th 10th, 11th,
Application for Bourtons Tickets

Bourtons Parish Council hopes to be allocated concessionary entries to the festival as usual, although this has yet to be confirmed. The names of successful applicants are sent to Cropredy by the Fairport organisation for exchange for wristbands only at advertised times at Village Wristband Booth at the sports field. Matching ID may be required at exchange

The new GDPR legislation taking effect 25.5.18 is making complexity by which we must ask your permission to hold personal information about you while we sort out ticket sales.

The following are revised arrangements for registering for concessionary entries. Please bring your application form, together with ID that shows your address in the Bourtons

Bourton Village Hall between 5:30pm to 8.00pm on Tuesday 19th June 2018

Registrations will be agreed on a 'first come first served' basis until 8.00pm (or earlier if all tickets are taken), when a draw will be held for second registrations if there are any (Nominations are permitted within reason for family and close Bourtons friends, see below)

Fairport ticket allocation 2017

Last year Gareth Williams, the Fairport organiser, told us that we must be much stricter in selling tickets to people with close village connections, such as sons, daughters, or grandchildren who may now live elsewhere.

Fairport are going to examine our list with this in mind. If we infringe this limitation we will be in danger of losing the privilege of concessionary tickets altogether, as happened in the past.

If you wish to buy a ticket for somebody else please evaluate whether they would be eligible, and be prepared to explain who they are and why they are eligible. **We have received clarification that if you do not wish to use a concessionary ticket yourself, you may nominate someone else, but they must be a Bourtons resident, or be a son or daughter, or grandchild of resident**

Registrations will cost £45 each (full 3-day price £135) so please make sure you bring your cheque(s) for **£45** payable to Bourtons Parish Council.

(Separate cheque for second, potential, ticket if required makes admin easier! It will be destroyed or returned if unsuccessful in ballot, as you wish.)

In 2017 we did have unsold tickets. In case that happens again please tell us on the night if you would wish to buy extra tickets if any are available. They MUST still be for Bourtons residents.

Sally Leszczynski
Chairman, Bourtons Parish Council

It was also confirmed that Hayfield Homes have agreed to reinstate the verges damaged along Foxden Way.	Clerk

1804-10.047	A meeting is to be set up with the CFO Community buildings advisor about the new Hall.	Clerk
1804-11.048	The damaged cover on the Village Hall oil tank is proving difficult to repair as finding the correct, sufficiently strong, fire retardant boarding is taking time. This is a serious problem in that there is evidence of young people climbing onto the oil tank and also smoking in the vicinity. This is both a Health & Safety and a fire risk. The Council will consult with the relevant authorities (Police and Fire Service) about the best way to deal with this matter, and to deter young people from climbing on the tank, endangering themselves and the tank. A note will be included with this mailing advising of the fitment of a new padlock to the allotment entrance gate.	Info
1804-54.054	The Clerk briefed Councillors about a possible problem with the sale of Fairport tickets and the need for us to share purchasers' personal data with the organisers. Advice has been sought from NALC which has initially suggested that this practice would be in breach of GDPR. NALC are taking legal advice and this is awaited. June Factoids

- Flaming June is a painting by Sir Frederic Leighton, produced in 1895. Painted with oil paints on a 47-by-47-inch square canvas, it is widely considered to be Leighton's magnum opus, showing his classicist nature.
- In any year, no month begins on the same day of the week as June
- Donald Duck, an American cartoon character from The Walt Disney Company, was "born" on 9 June.
- On 30 June 1859, Jean Francois Gravelot. "The Great Blondin", as he was often referred to, became the first person to tight-rope walk across the quarter of a mile gap of Niagara Falls. He walked from one end of falls to the other with only a rope under his feet to keep him from plummeting into the turbulent waters beneath him.
- The Magna Carta was signed in 15 June 1215 between the barons of Medieval England and King John.
