## Sue's preamble...

As I write this in mid-Feb – in front of a lovely fire and with the wind howling and rain beating on the windows – I just checked what the March diary had in store for us and British Summer Time is not far away ☺ - so roll on St David's Day and St Patrick's – I was curious about the Vernal Equinox, and it is described as **the** most important 'astronomical event' of the year! Hope all you Mums out there enjoy your day too.

I joined Debbie for one of her Pilates classes – can't say it was on my bucket list although this was my first time – great fun and good to be in the Community Hall – lots of space to spread out and a good buzz amongst the mixed class; had a laugh and not too painful on the joints/muscles the next day!

See you in the Village Hall on Saturday 21<sup>st</sup> March for a Big Breakfast – one week before the clock springs forward and British Summer Time begins!

### The Bourtons' Community Hall

Note from the Community Hall Management Committee...

*"On Sunday, 26<sup>th</sup> January representatives of the Parish Council and the Bourtons' Community Hall Management Committee were delighted to open the doors of the Bourtons' new hall and welcome residents to view the lovely new facilities over a cup of coffee and some cake. The event was hastily arranged to coincide with the National Village Halls' Week, and many people braved the elements to visit the hall and chat about how they would like to see the hall used for the benefit of all villagers.*

*Work is still ongoing to fully equip the hall, but wi-fi is now enabled as a useful addition for hall users. A number of weekly classes already take place and private events are also being held there. If you didn't manage to see the hall in January, don't worry, we hope to arrange a bigger launch event in the Spring, when the weather should be better and we can take advantage of the outside space.*

*Booking enquiries can be emailed to [bourtonscommunityhall@mail.com](mailto:bourtonscommunityhall@mail.com) or call Claire on 07810 518794. Also you can see our Facebook page at <https://m.facebook.com/bourtonscommunityhall/>*

**Friends of All Saints Church** are really pleased to share the exciting news that the Faculty (Diocese planning permission) has been approved for the Bell Tower conservation work, repairs to the Church gable, re-gilding and automation of the Bell Tower clock. This means that we are now also able to apply to funding organisations, such as the Heritage Lottery and, along with all the generous local donations, we should soon be able to get a date for the various works to start.

Thank you for your support so far – our fundraising will continue with renewed vigour! Please do join us at our next fundraising event – Bourtons' Big Breakfast, Saturday 21<sup>st</sup> March.

The Friends' team are volunteers (there is no need to attend Church to be involved) who help to raise money for the maintenance and conservation of the Church and Bell Tower. Funds are raised through events and activities and if you wished to assist at a particular event then do let Sue know – 01295 758036.

*"Hi Bourtonians, I am running a marathon on 5<sup>th</sup> April in Manchester. As it is my first marathon, I thought I would try to raise some money for a charity. I have chosen CLIC Sargent as the charity, and set up a Just Giving page. I also have a paper form. If anyone feels able to sponsor me, I would be very grateful. ## **Back in Time with Brian**

Note from Brian Cannon...

*"Occasionally people whose forebears left our Parish, many decades ago, attempt to trace their family history...*

*A letter once arrived from Australia addressed to the Postman, Publican, Parson or Policeman, Great Bourton, England. It was from a lady whose family had emigrated way back in the past. The then Vicar looked at it first but could not make anything of it so it was handed to me and I immediately realised this lady had long lost relatives still living in our Parish. I contacted her and this weather beaten Aussie lady came and stayed with us for a week and was able to meet up with her relatives."*
