- The minutes of the last meeting were agreed and authorised to be signed.
- The Chairman introduced the meeting and explained that as recent previous APM's had attracted no public attendance Council had requested written presentations from local groups and organisations who would normally be asked to present and that these will be published on the website. The Chairman's annual report will also be published in this way.
- The Chairman also thanked her fellow Councillors for their support with specific village projects over the past year including the Little Bourton improvement project and the recent Coronation celebrations, both of which have been highly successful. She also thanked our recently appointed new RFO, Rachel Pheasey for her excellent work on the year end accounts and internal audit.
- The groups invited to submit written presentations were :
 - Cluster Care
 - Cropredy Surgery
 - Cropredy school
 - Community Hall
 - Village Hall
- The Chairman expressed her thanks for the submissions received and were sure that these would provide residents with a better understanding of the various activities.
- The previous minutes [May 2023] were received, approved and authorised to be signed by the Chairman.
