- 3 Wine Bar – popup

Congratulations to our friends and neighbours of StBiG! What a great outcome and well done, and I'm sure we all await the next steps with great anticipation. The day of the announcement coincided with the pop-up Wine Bar in the Village Hall – it was a good night – a very busy gathering with many from across the Bourtons and a surprise drop in from Cllr Chris Brant! Well, we did have a lot to celebrate and it was great company, some lovely South African wines (I forgot the theme ☺) and a great opportunity to meet some new residents and give them a wonderful Bourtons' welcome!

April Wine Bar theme is Greek – I love Retsina and it tastes just as good here as in Greece! I quite happily stand alone with this opinion much to the dismay of my more wine discerning friends!

Happy Easter, happy holidays, whatever and wherever you do and go; fingers crossed for better weather and the opportunity to get out in the garden.

Sue xx

Bourtons' Gardening Club (BGC) – Wed 1st April, 7:30^{pm}

In the Village Hall with guest speaker - David Hinkley, founder and creator of Growmad.co.uk, and his topic is "Heritage Tomato Cultivation: Preserving Living History". This is the last of the scheduled guest speakers.

The next event will be the afternoon Garden Party on **Sunday, 17th May**, 2pm where you may enjoy refreshments, cakes and even buy some plants!

Bourtons' Music Society - Wed 15th April, 7:30^{pm} in the Village Hall: **'The 'B' Side'** - On vinyl the 'B' side was an added bonus to the main reason for buying the record. It sometimes led to the discovery of something good. If you no longer have the original record we can see if your chosen track can be found in another format. Byo refreshments. New members are always

welcome, so if you would like to come along to see if it is for you, the evening only costs £1.50pp for non-members. Membership is £12pp pa. Information about the Music Society is available from Margaret on 01295 758519 or Paul on 01295 750596.

Bourtons' Popup Wine Bar!

Thurs, 9th April 7:30-10:30^{pm} in the Village Hall. Meet with neighbours and friends and enjoy a glass of wine together.

The theme this month is **'Greek wines'**; there's much more to Greek wines than retsina! Bring a Greek wine to try and share, or if you prefer to drink another wine of your choice then bring that instead. Just a chance to meet and chat with neighbours. No sales, strictly Byo. Just £2.00 (contribution toward hall hire).

The Bourtons' Parish Council (PC)

Draft Minutes of the meeting held **12th February** 2026, 7.30pm

In attendance: Cllr Upton (Chair), Cllr Johnson, Cllr Beales, Mrs Pheasey (Clerk/RFO), Mr Bowen (Asst Clerk - Planning).

Apologies: Cllr Duckworth, Cllr Brooks, Cllr Martin, DCllr Brant

Declarations of interest: None declared

Public participation: Messrs R Sweetingham and T Edwards to present an alternative option for the Mole End development. Their PIP application will be lodged shortly.

Footpaths: The steps on Stanwell Lane are still in poor repair. This will be followed up with Tracy (OCC Footpath Officer). Tracy is also working to get the access back to the footpath by the Stables.

There have been reports that some drains are blocked again and will be reported on Fix-my-Street. Cllr Upton will review and ensure the map of drains has been updated.

Highways: Three sessions were held this month and only 3 speeders were recorded. It was discussed if there was a need for an extra camera but the PC agreed that would not be necessary at this time but could be looked at again if needed.

The contract to do the parish weedkilling was looked at as it had been suggested that 3 visits a year may be preferable. The PC agreed that the current 2 visits a year were sufficient. OCC grass cutting will be reviewed to ensure all areas are covered for next year's mow as there are still some issues with areas that do not seem to be covered.

Planning: The new application at Cropredy Marina was discussed. It was agreed that Mr Bowen will write a letter to CDC to express concerns to the plans - mainly to the increase in traffic it will cause going through GB. N26/00039/OUT - Land West of Foxden Way. There has been a delay in CDC uploading the responses to the website. The PC will finalise their reply when this information has been added and reviewed.

Thames Water (TW) - Cropredy Treatment Plant. It was confirmed that TW should complete these works by the end of 2026.

Defibrillators: The two new defibrillators are still in the process of being set up. It was confirmed there is no need of an electric supply for these to work.

Playgrounds: There has been no response from the landowner to any renewal of the lease. Cllr Upton will try and contact again before we engage legal help.

Cllr Martin has obtained a quote for the repair work in LB park. More quotes will be sought to ensure the repairs are completed as soon as possible.

We are still looking for sites for a book shelter.

Allotments: There have been quotes obtained for replacing the damaged posts. The CCTV camera will be sited again once the weather improves. Reports of a broken tap will be looked in to.

Village Hall: The draft lease is almost complete and will be sent to the VH Chairman for the committee's review, amendment or acceptance.

Community Hall: The reinstatement work needed on the car park will be carried out as soon as the weather improves.

Healthcare: There was an update from the Cropredy surgery that the new build is still ongoing. Cllr Johnson was asked if they are still taking on new patients and he will enquire with the surgery.

The Horton hospital has been in dispute with the ICB on how the investigation to maternity care has been managed and the practicalities of returning full maternity care was discussed.

Finance and Admin: The financial report and bank statements were circulated and RESOLVED that the associated bank rec. be accepted and that 4 payments totalling £529.90 be approved. The payments in excess of £100 are:

CDC - Garden waste subscriptions for the year x 5 - £295,

SLCC – year’s membership - £139.20

The PC reviewed the following policies and RESOLVED to adopt them: Asset Register, Website accessibility statement, Financial reserves policy, General privacy notice, Risk assessment and Website publication policy.

The Clerk will look at the insurance policy to ensure the Burial Ground warden is covered for his work.

A letter has been sent to transfer the remaining funds from the closed Barclays accounts to the new bank. This will be monitored to ensure it happens.

Officer appraisals have been completed and the councillors and salary changes were agreed to fall in line with the current legislation.

The burial fees were reviewed and the council RESOLVED to keep them at their current level as they were comparable to other sites in the areas.

Correspondence: There have been concerns raised about the parking on Main Street on Monday mornings. The PC will enquire to ensure the maximum capacity of the Community Hall isn't exceeded as per the fire regulations.

New business: The PC will look at the Freedom of the Parish policy and discuss at the next meeting.

The Bourtons’ Parish Council (PC)

Draft Minutes of the meeting held 12th March 2026, 7.30pm

In attendance: Cllr Johnson (acting Chair), Cllr Beales, Mrs Pheasey (Clerk/RFO), Mr Bowen (Asst Clerk - Planning), Cllr Duckworth, Cllr Brooks, Cllr Martin. **Apologies** Cllr Upton (Chair)

Declarations of interest: None declared

Public participation: 2 members of the public.

Footpaths: There has been no update from OCC on the state of the steps at the end of Stanwell Lane. This will be chased up.

The footpath that runs across The Stables site has been obstructed by the placement of a caravan. OCC are aware of this.

Highways: 3 sessions of community speedwatch were recorded with a high speed recorded of 34 mph.

The Highway's team met with the Super User for GB to run through the issues in the 2 villages. The issues highlighted are on the schedule for repair. There will also be a review done for any verge and kerb repairs, along with sign cleaning needed.

It was noted that the drain in LB that had been cleared had filled up again. This will be monitored.

Planning: 26/00351/PIP: EW Estates land behind Mole End. The PC has written to support the changes to this application.

26/00039/OUT: The PC have contacted DCllr C Brant to see if this application for Foxden Way can be called in.

The result of the appeal for The Bell was completed and the appeal was dismissed. The STBIG had put in significant work for this.

The enforcement team continue to monitor the activity at The Stables.

Defibrillators: The new defibrillators will be fitted as soon as possible to the sites now identified. Cllr Martin will confirm a date with the Community Hall.

Playgrounds: The repair work at LB will look to be completed asap now. The possibility of a working group within the village was raised. There was reports of a padlock on one of the gates to the Garners Field park. This will be investigated to see what the issue is.

The PC are still seeking a site for the book shelter and will ask if anyone has available space that can be used as we have had the offer from someone who is willing to look after it but we just need somewhere for it to go.

Allotments: The broken tap still needs repairing as the water will be needed soon. Cllr Martin has agreed to get the repair sorted as soon as he is able.

CCTV camera and pole will be installed as soon as weather and time allows.

The council have AGREED on a quote for the replacement posts for the allotment. Cllr Martin will arrange the purchase and installation of these.

The PC agreed for the allotment rent to go up to £34 per plot from October. This will be communicated to the allotment holders.

Community Hall: the car park potholes will be repaired as soon as is possible. The PC will let the CH know as soon as it can be arranged. The PC AGREED that the CH could add some information to the Bourtons' website and this will be looked at to see what they need and how this can be achieved.

Healthcare: The report from the surgery mentioned the roof leaking again.

Finance and Admin: The financial report and bank statements were circulated and RESOLVED that the associated bank recon be accepted and that 4 payments totalling £2,576.40 be approved. The payments in excess of £100 are:

WTG Consultants - Internal Audit £112.50. Salaries and PAYE - £1,595.70.

Burial ground and Church Warden - £437.50. OALC membership - £252.

SLCC membership - invoice now received at £116.

The budget for the last year had been considered and is currently showing a small deficit. This will be finalised after year end but the PC were happy with the figures.

The PC has had a demand for payment for an image used in 2023 in regards to copyright issues. The PC AGREED this may be a scam but will ensure we get this confirmed.

New business: There were concerns raised over the recent secondary school allocations as some local children had been offered spaces in Bicester. The PC AGREED to write to OCC to comment on this and to ask what is being done to allocate the S106 monies already received from new developments in order to increase the provision in the Banbury area.

The PC will look at the Freedom of the Parish policy for the April meeting.

Can You Help... please...

During the March Parish Council meeting (see above) the PC were asked to identify a suitable site for a 'Little Free Library' – this is an informal book sharing box where anyone may take a book or share a book – they function on the honour system. You do not need to share a book in order to take one.

You can find out more on littlefreelibrary.org – including a picture of a typical book box/store. They are quite small.

We need somewhere accessible that we could site it.

If you have a suggestion of where in the Bourtons one might be placed please email Rachel, the PC Clerk on clerk@bourtons-cherwell-pc.gov.uk

Claire Howard

"I have been asked to take part in the 6th March event at Katharine House Hospice."

My part is to be there at 7pm, in a worthy chair.

Thank you! Thank you!

Grateful thanks from Claire and Simon for your recent support – their event on 6th March raised a fabulous £700 in aid of Katharine House Hospice.

Thank you for your support!"

Friends of All Saints...

What a cracking Big Breakfast we had in March – thank you so much for your support and we hope you enjoyed your breakfast as much as we did in prepping and serving it! You helped us raise a wonderful sum – over £600 toward the upkeep of All Saints and its iconic bell tower – which goes a long way toward insurance, utility bills and general upkeep particularly in this year of our mandatory Quinquennial Inspection when our Architect does an in-depth report of the buildings and who knows what this may uncover...

We had some really good feedback on the day of the breakfast. However, if you do think of anything that will enhance your enjoyment then do please let us know. Thanks once again for your support and especially Lynne & Bryan Aries of Littlegood Farm for the eggs; Fine Lady Bakeries for the bread; and friends and neighbours who kindly sponsored other items.

The next Big Breakfast will be on **Saturday, 3rd October!**

We managed to do all our breakfast shopping through Easyfundraising too! Do consider signing up... it's very easy... and

thank you to those of you who used, and continue to use, the Easyfundraising initiative which, during the last 16 months, raised £780.94 toward the upkeep of All Saints. This is a fantastic sum and all donated by the retailers you shopped with through Easyfundraising... If we can get more online shoppers to use this it would really help... please scan the QR code below for easy access. There is also an option to enable a 'reminder button' to help you easily remember to use Easyfundraising for your next shop!

Fly the Flag, Light the Belfry – brighten the village, bring joy, mark a memory – recognise a family anniversary, birthday or commemoration (or anything else) by flying the Flag.

Flag OR Light (Flag AND Light in brackets) £5(£8) per day/night £10(£16) - 3 days/nights £20(£25) for a week

Katharine House Hospice Gowns – message from Barbara Spicer:

Thank you to everyone who responded to my request for unwanted duvet covers so that I could re-purpose them into hospital gowns for the Hospice! I met with the Ward Sister today and she gave me the following quote.

'We are so grateful to Barbara and the community for their support with creating these wonderful gowns. It allows us to care for our patients comfortably and practically whilst still allowing our patients to look like themselves in 'non-hospital' look gowns. We get wonderful feedback from patients and their families. Thank you!'

They seem genuinely delighted with the gowns and I am very grateful for all your generous donations. Looks like I have an ongoing job to do!

Volunteering opportunities:

If you're looking to do something meaningful in 2026, KHH has a range of rewarding volunteering opportunities.

Living Well is seeking a volunteer complementary therapist on Monday mornings (10am–12 noon) to offer hand or foot massage, helping patients relax and feel supported.

We also need weekend front reception and weekend ward reception volunteers to welcome visitors, offer a friendly face and help with the small things that make a big difference. This role is flexible and can fit around your life.

Find out more at: khh.org.uk/volunteer-opportunities

Rose to Remember returns:

Rose to Remember has become a special part of our hospice calendar, and we're pleased to share that it will be returning this June.

From 9th-21st June, 600 beautiful purple roses will form a temporary installation in the peaceful grounds of the hospice, creating a space for reflection and remembrance.

Each handcrafted metal rose will be dedicated to the life and memory of someone special, offering a meaningful way to remember a loved one.
